

# 2024 Minnesota Medicaid Equity Forum

## Registration is open for the 2024 Minnesota Medicaid Equity Forum: *Beyond the Unwind: Centering Equity Together*

### *Goals and outcomes:*

- Engaging with multiple culturally and linguistically diverse communities, and those who support their access to and use of Minnesota Health Care Programs.
- Fostering true partnerships during the resumption of renewals and beyond.
- Elevating community-led, community-centered solutions to improve Minnesota Health Care Programs.
- Commit to actionable items that will advance statewide health equity priorities beyond the unwind/resumption of health care renewals.

# 2024 Minnesota Medicaid Equity Forum

- **What to expect from your participation:**
  - Opening plenary
  - Panel discussions exploring insights and learnings from statewide efforts to maintain health care coverage for all Minnesotans, especially those who experience health disparities. Topics may include lessons learned during the unwind/resumption of health care renewals and highlighting collaborative partnerships between state and local partners centered on health equity.
  - Facilitated dialogue centered on building shared vision and commitment to advancing health equity within the Minnesota Health Care Programs
  - Keeping communities most impacted by health inequities at the center of our discussions.
  - *Breakfast, lunch, and afternoon refreshments will be provided for the in-person session.*
