# Assister Roles and Responsibilities for MHCP Applicants and Enrollees

New resource: Assister Roles and Responsibilities for Minnesota Health Care Programs (MHCP) Applicants

- Document providing consistent information about assister roles and responsibilities will soon be available.
  - ONEsource for county and Tribal health care eligibility workers
  - Assister Central for Navigators and CACs
- Document is a resource for current information. It does not establish any changes to current policy or procedure.
- Incorporated feedback from Health Care Eligibility Advisory Committee and the Navigator/CAC Stakeholder Group.

# Thank You!
